

amendment. But if you believe, as I do, that the strength of our country lies in our unwavering commitment to democracy at home and abroad, then join me in voting "yes" to strike the global gag rule.

Ms. DELAURO. Mr. Chairman, I rise to join my colleagues in this motion to strike the Global Gag Rule language that is contrary to the principles of democracy that we claim to advocate and that simply sweeps the women around the world under the political table.

The family planning programs our country funds are doing critical work to provide reproductive health care for millions of women around the globe to help prevent unwanted pregnancies, and yes, help prevent abortions. These family planning programs are many times the only health care these women and their families have. They are also spreading the first seeds of democracy in countries that are struggling to care for their own people.

But what this bill says to these international family planning groups is that in order to be a part of our system you must forfeit your right to determine what you will do with your own private funds. You must not talk about certain things. You must not perform certain health care services. You must report to us what you do with your own money.

Mr. Chairman, this sounds to me shockingly similar to the undemocratic behavior we criticize in other countries. If we were to impose these mandates on U.S. groups they would be struck down as unconstitutional. Yet when it comes to abortion, some members of this House seem to think anything goes. Tell them they can't even talk about it. It is unconscionable. It is not our money we are now controlling. We do not fund abortions—we haven't for decades. We have now begun to restrict what groups do with their own money.

Who will suffer with we penalize the funding for these groups that provide certain health care services? Women and children. Some of the most impoverished women and children in the world.

This goes to our basis values. As a country that is prosperous, that has the means to provide health care so that fewer women will die, funding family planning is a statement that these women matter. That every child in this world matters.

I urge my colleagues not to go along with the undemocratic restriction on international family planning organizations. This vote comes down declaring your support for women's health, preventing abortion, and truly standing up for democratic values. Support this motion to strike.

The CHAIRMAN. All time has expired.

The question is on the amendment offered by the gentleman from Pennsylvania (Mr. GREENWOOD).

The question was taken; and the CHAIRMAN announced that the noes appeared to have it.
